

PLAN ★ PREPARE ★ PROTECT

Spy Escape and Evasion is a company dedicated to providing you with the ability to protect yourself and others from the threat of attack. We provide state of the art survival seminars giving you tips, secrets, and strategies keeping you better protected on a daily basis. Our seminars are designed for **men, women, and children.**

and the
SPY ESCAPE
SHOW
AS SEEN ON
SHARK TANK

During the Spy Escape and Evasion LIVE SEMINAR, you will gain potentially life-saving skills such as How-To:

- Escape zip ties, duct tape, rope, even handcuffs in 30 seconds or less.
- Create an Escape and Evasion Kit which includes 23 critical items.
- Create an improvised weapon to protect yourself during an emergency survival situation.
- Quickly pick a door and/or pad lock.
- Become a Human Lie Detector and use social engineering to get almost anything you want.
- Keep your family safe on airplanes, in hotels and while using public transportation
- Avoid being the victim of a deadly home invasion.
- Use a simple 3-step process to disappear without a trace.

Limited Space Available - 4 hour seminar

- ★ "I can't speak more highly of the material or the instructor. Don't let the title of the course fool you... the scenarios Jason presents are directly relatable to the average person. What I learned may very well save my life one day." ~ *Marshall Waterbury, Front Royal, VA*
- ★ You don't need to be an agent to find these skills relevant to your life. You just have to be someone who is concerned with your safety and aware of your surroundings. Overall, the course was a remarkable experience, and I'm grateful for the opportunity of attending it. ~ *Cristina Columbi, Riverside, CA*
- ★ This class was exactly what I expected, exactly what was advertised, and exactly what we wanted and needed. It was a good value for our dollar. Thank you for the experience. ~ *Bill Brixey, Baltimore, MD*
- ★ Taking the Spy Escape & Evasion course was one of the best decisions I've made. As a college student... I highly recommend taking this for your own safety, and the safety of your loved ones. ~ *Amy Nelson, Columbus, OH*
- ★ The things I learned in your course are invaluable to the everyday person with everything going on in society today, this course is something that everyone should take. ~ *Robbie Gustault, Alameda, CA*
